

SAFARI BAR'S NEW ADVENTURE-DRIVEN COCKTAIL MENU

ACADEMY BULLETIN

Dear Patrons,

As the summer sun sizzles, we at HKGTA are ready to make a splash with a vibrant array of experiences. This August, we are stirring up an irresistible cocktail of events as part of our annual Maison St. Tropez programme, designed to ignite your spirit of adventure and transform your summer into a spectacular carnival of delight.

Summer at The Academy is always a special time, and this year is no exception. Our annual Maison St. Tropez event, a cherished tradition that captures the spirit of travel and adventure to the French Riviera, is taking an exciting detour this year. We are expanding our horizons to the sun-drenched Spanish waters of Mallorca – inspired by the return of our tennis players from the same enchanting locale. Those who are staying with us in Hong Kong will feel transported to the glistening seaside of the Mediterranean. From family workshops and movie sessions to live performances, we are creating a unique Maison St. Tropez experience right here at The Academy starting from 4 August. The ultimate crescendo of the Spanish extravaganza will be none other than our grand finale party which will be held on 26 August. Save the date for The Academy's biggest event of the year as it promises a night of unforgettable experiences and memories. Since the grand event will extend well into the night, we recommend Patrons to book their accommodations in advance to secure a spot to witness all the action.

Our culinary offerings this summer are set to take your palate on a vibrant journey through Spain. Starting with a tantalising Saborea España Spanish brunch at The Cafeteria on 5 August, expect to experience the spectacle of a live cooking paella show, curated by the renowned guest chef Edgar Sanuy from Pica Pica. We suggest accompanying your meal with our free-flow sangria, for a truly authentic Spanish midday feast.

Further indulge your gastronomic curiosity with our exclusive one-night dinner, 'Sail Your Way to Spanish Waters', happening on 19 August. This event promises a culinary exploration of Spanish delicacies that are sure to delight.

And to keep the Mallorca spirit alive throughout the month, we are serving a special Spanish tapas menu. From Catalan tomato bread and croquettes to ajillo prawns and bikini sandwiches, you can savour the essence of Spain with our selection of classic staples, available throughout August. Contact cafeteria@hkqta.com or 852. 3187 8981 / 82 for reservations or book via our Patron App.

For an immersive escape from the bustling city, enjoy our exclusive MST Finale Party accommodation package with 40% discount on room rate upon purchase of 2 or more Finale Party tickets! Applies to Grand Suite, Garden Duplex, Upper Duplex & Academy House only, and multiple room bookings (subject to availability). So book early via info@hkqta.com or ae@hkgta.com to avoid disappointment and make your summer truly unforgettable.

For those who crave a taste of the familiar, we are introducing a delectable menu of Chinese snacks at the Academy Lounge. These delights are the perfect accompaniment to a playful cocktail or two. For bookings, log on to our Patron App or contact acacemylounge@hkqta.com.

Our distinguished Chinese restaurant, Fan Guan, continues to serve its highly acclaimed Chinese Gastronomy menu until August. This limited-time menu is an opportunity to savour the exquisite flavours of unique dishes inspired by China's rich heritage. Bookings can be made via <u>fanguan@hkqta.com</u> or 852. 3959 0031 / 32 or on our Patron app.

Our summer camps are now in full swing, offering a range of lively and engaging activities from tennis and golf to swimming and adventure day camps. It's a wonderful opportunity to keep the kids active and entertained throughout the summer. And don't miss out on our summer mini yoga programme and 'fun frenzy weekend movement' class. Flip through to find out more about our activities and enrolment details.

As we embrace the warmth and joy that summer brings, we look forward to welcoming you to HKGTA. We hope you enjoy our August offerings and the Spanish flair woven throughout our events, reminding you of the vibrant Mediterranean coastlines. May your summer be filled with the same zest and passion that we've infused into our Maison St. Tropez event.

Here's to a memorable summer under the Spanish sun, right here at HKGTA.

Salud!

Yours Faithfully, HONG KONG GOLF & TENNIS ACADEMY MANAGEMENT

COACH PEDRO'S PASSIONATE PLAY

A year of tennis triumphs, trials and tournaments at HKGTA

A wave of transformation is sweeping across the courts of The Academy. At the forefront of this change is Coach Pedro, whose visionary approach is steadily reshaping the landscape of the tennis programme at HKGTA.

"It [feels] like we landed yesterday!" Pedro reflects on his first year at HKGTA, a period marked by a rapid understanding of the unique dynamics of Hong Kong and The Academy. His adaptation was swift and fluid, much like the grace of his own well-executed backhand.

Pedro's philosophy is holistic, rooted in the belief that the team and the community must come first. "We always have to think as a team and as a small community," he says, underlining the importance of a cooperative spirit in an individual sport. This balance, between individual progress and cohesive camaraderie, has been Pedro's strategy in fostering a high-performing team.

In a sport where the spotlight often shines on the individual, Pedro shines a light on the team instead. His approach has already brought significant successes. The Academy finished runner up in Hong Kong's Junior League, a record achievement for HKGTA, and players flourished both domestically and in international tournaments. Expectations are high for the forthcoming season, with the goal of winning the Junior League and promoting as many players as possible to the top 10 of all junior age groups in Hong Kong.

"Between coaching team first and then passing it to the players and Patrons," Pedro explains, you create an energy that is central to the success of a programme. This energy, this culture, is the beating heart of the team.

On the cusp of a training trip to Spain, Pedro is excited about the opportunities this will present for his players. "Experience is the keyword of the trip," he says, emphasising the importance of diverse practice partners, cultural exposure, and the chance to improve autonomy. The trip to the renowned Rafa Nadal Academy is set to be a transformative experience that the players will surely never forget.

Pedro's advice to aspiring athletes exemplifies his approach to coaching: "Never consider yourself too good even if you have won something big – it is the first step to improve every day." This humility, combined with competitiveness, physical attributes, decision-making skills, and a good eye for the game, are the key qualities Pedro believes are essential for success.

As we look to the future of HKGTA under Pedro's guidance, we see an institution that is evolving, growing, and challenging the norms of tennis training. His vision is clear, his conviction is strong, and his passion is contagious. As he says, "The coaching job is really to motivate everyone's character the best way they can." And in Pedro, HKGTA has found a coach who does just that.

Escape the bustling metropolis of Hong Kong and embark on a tantalizing adventure at Safari Bar. A haven for the sophisticated and discerning clientele, this all-day bar offers an unparalleled experience with creative Asian-inspired cocktails, an extensive wine selection, and delectable bar bites in an atmospheric jungle setting.

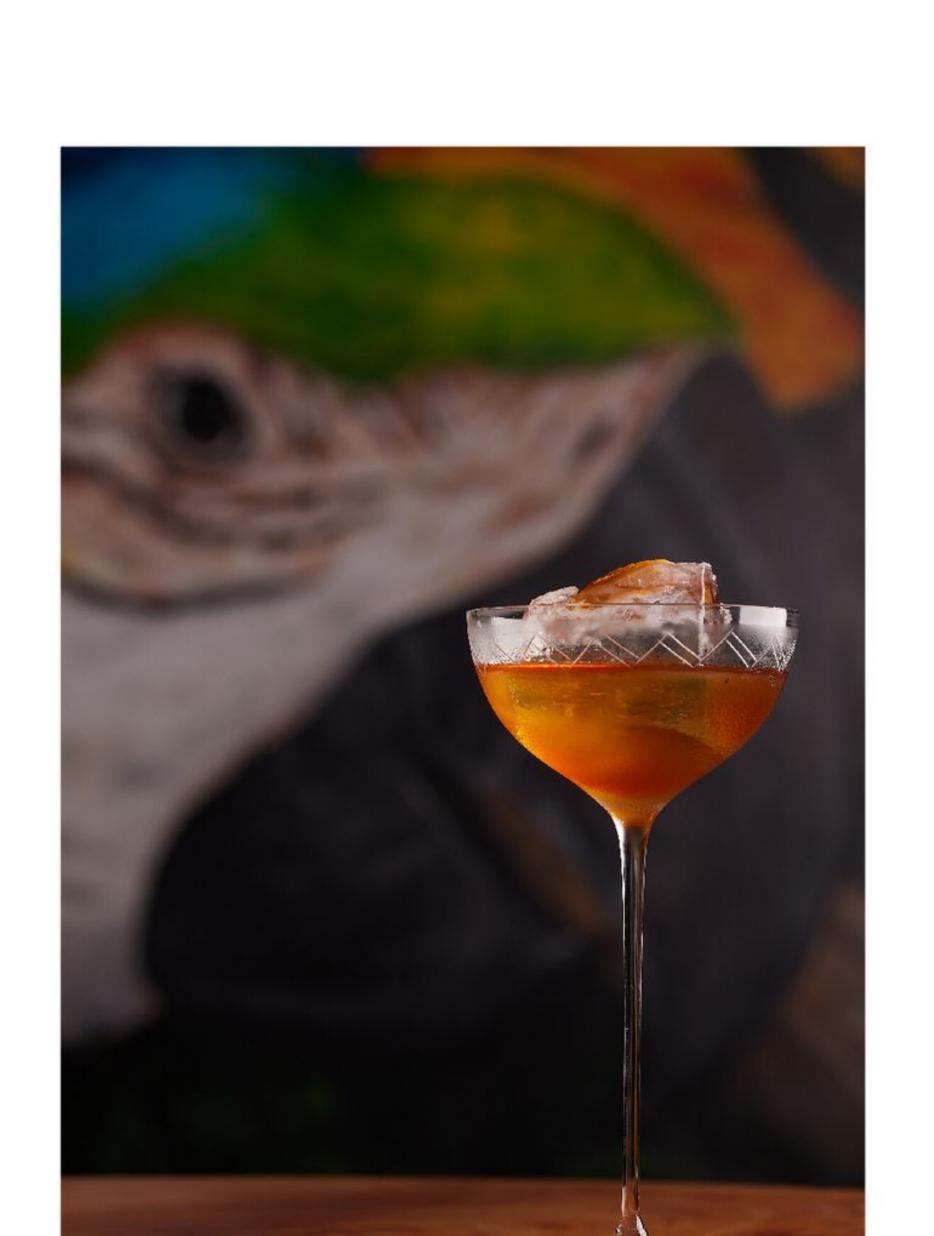

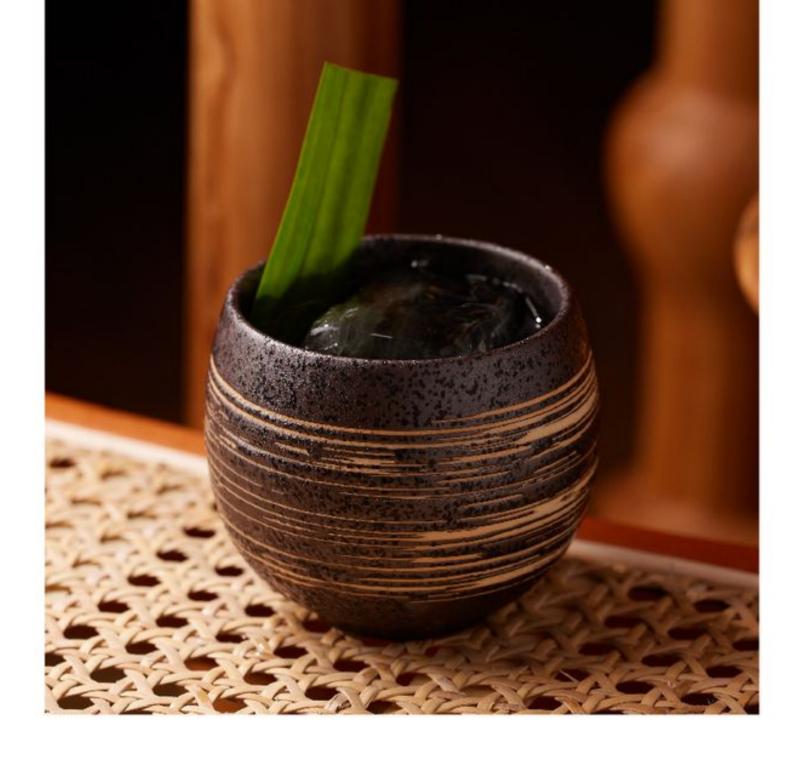

Safari Bar's talented in-house mixologist and bar manager has masterfully crafted an exhilarating new cocktail menu, set to launch this September. Designed for the adventurous at heart, this innovative menu captures the exotic essence of Safari Bar, whisking patrons away to far-flung locales with flavours borrowed from Taiwan, Thailand, Mexico, and beyond. Each cocktail is a bold adventure, weaving together imaginative combinations, exotic ingredients, and sophisticated bartending techniques to create a slightly wild and truly unforgettable experience for the discerning palate.

The creative process behind this menu is a collaborative effort among the talented team at Town Club. Drawing from extensive research and experimentation, they have curated a collection of unique cocktails that evolve with the tastes of the discerning public. The new menu embraces current trends in the bartending world, such as low-alcohol, savoury profiles, and simple yet high-quality ingredients.

Among the highlights of the new menu is the "Pineapple Cake," a personal favourite of the bar manager. This ingenious creation pays homage to Fengli su, the beloved Taiwanese pineapple pastry that has won over hearts worldwide. Skilfully adjusting the traditional recipe to suit the Hong Kong palate, the cocktail emphasises the acidic nuances of pineapple while reducing its sweetness. The result is a non-syrupy, aromatic experience that retains the essence of the classic dessert. This concoction is a prime example of Safari Bar's tropical theme, incorporating ingredients such as pandan, coconut, and a medley of fruits and herbs which flourished in cultivation abroad to transport guests to an idyllic island getaway.

The selection of spirits, ingredients, glassware, and garnishes is a meticulous process which embodies the Safari Bar ethos. Seasonal ingredients are chosen to represent countries and their distinct produce and flavours, while glassware and garnishes are carefully selected to enhance the sipping experience. An example of this attention to detail is the use of a special vessel for coconut cocktails, elevating its presentation and making it a memorable experience for guests, all the while promoting sustainability.

The new cocktail menu complements the food offerings at Safari Bar, providing a wide range of flavours from savoury to light and refreshing, and from spicy to powerful and intense. This versatility ensures that each guest can find the perfect pairing to their preference, occasion and company.

In addition to the enthralling new menu, Safari Bar presents an engaging and educational cocktail masterclass, perfect for those eager to refine their mixology prowess. Participants will delve into the art of crafting unique and delightful libations, gaining valuable insights and techniques from the bar's skilled mixologists. Moreover, Safari Bar is set to unveil a new happy hour, transforming the venue into a buzzing social hub where Patrons can unwind and mingle over an array of inspired cocktails. These exceptional deals and the allure of expertly crafted beverages create an inviting atmosphere, making Safari Bar the ideal destination for sophisticated socialising and unwinding after a long day with a well-deserved beverage.

This exotic escape will be available from 1 September, enticing guests to embark on a thrilling journey of sensations. Explore the enchanting world of Safari Bar, where the spirit of adventure is masterfully encapsulated in every sip.
