# DECEMBER HAPPENINGS AT THE ACADEMY

## WINTER CAMP WITH CAMP BEAUMONT

This holiday, Camp Beaumont returns with an adventure themed winter programme for young Patrons. Running from 28 to 30 December, the day camp takes kids from ages 5 to 7 to the great outdoors. With activities ranging from orienteering to outdoor cooking, navigation to flora and fauna discoveries and even fire building, junior Patrons can reconnect with nature in a meaningful way.

## A TIME TO GIVE

A season for gratitude, blessings and giving, HKGTA hosted a Christmas Toy Drive from 1 to 19 December to spread festive cheer to children in need. The generous Patrons of The Academy donated over 40 items of toys, books, gifts and more to bring a smile to the underprivileged through Po Leung Kuk Community, making Christmas morning extra memorable for all who gave and received.

## HKGTA UTR OPEN 2022

Wrapping up 2022, Patrons aced their last game of the year with a Universal Tennis Rating (UTR) tournament which aims to produce an objective, consistent and accurate index of players' skill levels. From 19 to 23, and 27 to 30 December, players competed within their age and gender categories. The UTR system allowed players to understand their performance amongst peers and set new tennis goals for the coming year.

# CIRQUE DU HKGTA

The Academy was transformed into a whimsical wonderland in a playful circus setting for the holidays. With live performances, circus acts, extravagant displays aplenty, Patrons were dazzled by the incredible Christmas circus entertainment at HKGTA.

# CHRISTMAS CARNIVAL MARKET

The HKGTA Christmas market tradition returned again for the winter holidays. The bustling kiosks and stalls fill The Academy with festive sumptuous food and drink, gifts, toys and more. Lining the walkway outside the Pro Shop, families and friends basked in the yuletide spirit while browsing through the festive offering. As well, Patrons also enjoyed activities, games and workshops around the magical season including DIY snow globes and thematic balloon twisting.

## RINGING IN A NEW YEAR

Bidding farewell to 2022 and ushering a new year, Cirque du HKGTA rolled out the red carpet for a banging celebration party on 31 December. Held outside Pro Shop, the festivities included a DJ spinning popular tracks as well as a live band to get people dancing, a performance of roaming stilts lifting our heads and spirits and a mini circus show before toasting to 2023 at midnight.

## OUTDOOR ICE RINK

It wouldn't be winter at HKGTA without the popular outdoor ice rink. Now a family tradition, Patrons strapped on their skates and carved the ice under the brisk December air. A rarity in Hong Kong, the rink was a hit with Patrons snapping up some memorably photos against the Christmassy backdrop.

# DECEMBER HAPPENINGS AT HKGTA TOWN CLUB

## CHRISTMAS IN THE CITY AT TOWN CLUB

For those who spent the holidays downtown, HKGTA's new urban outpost Town Club was brought to life for the most wonderful time of the year. Santa Claus came to Town Club for a visit and with him, he brought his jolly well wishes which made for incredible picture-perfect moments. Patrons drank and danced the night away to special live performances on Christmas Eve, while on Christmas Day, junior Patrons got into the spirit with traditional gingerbread decorating workshops, a magic show and animation screening of the best holiday hits.

# TOWN CLUB'S FIRST COUNTDOWN

The party in town is the first New Year's Eve party of many. Setting the bar high for its debut countdown, Town Club was bursting with excitement. Featuring live performances like a dreamy jazz piano recital, a jovial band performance, and even a captivating magic show exclusive for Saffron and private room guests, Patrons filled their evening with entertainment before ringing in the 2023 at stroke of 12.

# MYTHICAL FACTS ABOUT THE CHINESE ZODIAC

Many of you will likely know—or have at least heard—about the ancient story of the Chinese zodiac which uses a total of 12 animals, representing the 12 cycles of lunar phases. 2023 is the Year of the Rabbit and, as the story of The Great Race goes, is followed by other animals in a specific order: Rat, Ox, Tiger, Rabbit, Dragon, Snake, Horse, Goat, Monkey, Rooster, Dog and Pig.

This ranking was the result of a race set by the Jade Emperor who did this to select the guards of the Heavenly Gate. The earlier the animal went through, the better the rank. This eventually became the 12 Chinese zodiac signs, each with its own unique characteristics.

There are, however, elements of tradition and Chinese culture that you may not know and we're here to explore them now.

## ANCIENT TOTEMS

The 12 animals came from ancient totems which, according to ancient records, originate from the totems of ancient tribes. Each tribe had a unique animal symbol which was a deity protecting them. Half of the symbols in the zodiac are domestic animals while the other half are wild or mystical animals that the people admired and paid their respects to.

## THE ELEMENTS OF LIFE

Aside from animals, there are other facets associated with the zodiac signs. According to feng shui, there are five elements: water, fire, earth, metal and wood that can have opposing or harmonious effects on one another. For example, water may extinguish fire but it can also nourish wood. Each zodiac sign has an associated element according to the year so, for example, there will be five rabbit types including the water rabbit, fire rabbit and so on. This specific sign and element combination has its own characteristic attributed to it also.

## MATCH MADE IN ZODIAC

The signs of the zodiac are also used for matchmaking. Those who believe in Chinese astrology will also consult fortune tellers to calculate the compatibility of a potential partner, especially before getting married. In some cases, the zodiac signs may also be used to assess if you are a harmonious match with a business partner and therefore should be considered before going into ventures together.

## NOT YOUR LUCKY YEAR

If you thought that the year of your zodiac sign would bring luck, you'd be wrong. It is believed that if they are the same, it will offend the Guardian God of the Year (otherwise known as Tai Sui) which will bring back luck for the year. To avoid this, it is customary to go to the temple to give offerings. Then, when the year is over, you should return to give thanks.

## WHAT YOUR ZODIAC SAYS ABOUT YOU

Each of the zodiac signs is said to have its own character. In Chinese culture, the year a person is born determines this and can affect personality traits. Below, we've summarised which traits belong to which animal. Is your zodiac sign right about you?

### THE YEAR OF THE RAT

You are smart, charming, resourceful and persuasive

### THE YEAR OF THE OX

You are honest, kind, hardworking and stubborn

### THE YEAR OF THE TIGER

You are brave, confident, competitive and emotional

### THE YEAR OF THE RABBIT

You are popular, compassionate, sincere and patient

### THE YEAR OF THE DRAGON

You are ambitious, charismatic and mysterious

### THE YEAR OF THE SNAKE

You are intelligent, gregarious and introverted

### THE YEAR OF THE HORSE

### THE YEAR OF THE GOAT
