HEARTFELT TRIBUTES TO DAD

ACADEMY BULLETIN

Dear Patrons,

As the summer sun begins to shine, we are thrilled to welcome you to our June issue of the HKGTA Insider. We are proud to announce that looking ahead, The Academy has prepared a host of exclusive activities to celebrate the season of warmth and joy.

CELEBRATING THE FATHERS OF HKGTA

Father's Day is just around the corner, and we have curated a selection of celebratory dining options to honour dads with the love and appreciation they deserve. At Fan Guan, indulge in the exquisite 'Gourmet Dinner for the King', a hearty Cantonese feast with two set menus - the Emerald Dinner menu or a more extravagant Diamond Dinner menu which will be available from 1 to 18 June. Meanwhile, dads dine free at Cafeteria, where Patrons can relish in a decadent three-hour lavish buffet with free-flow drinks to make the occasion truly special. For more information or reservations, contact Fan Guan at fanguan@hkgta.com or 852. 3959 0031 / 32; and Cafeteria at cafeteria@hkgta.com or 852. 3187 8981 / 82. Flip through for more details of our Father's Day F&B offering.

To gift dad, The Academy is abuzz with several DIY Father's Day gift workshops, with junior chefs heading to the Gastronomy Lab to bake cookie treats for their dads and a Father's Day themed pastel Nagomi art workshop – each designed to create memorable moments to commemorate the occasion. What's more, we have also interviewed our Patrons as they share heartfelt stories about their dads, from life lessons to personal anecdotes, to honour the heroes in our life.

SUMMER FUN UNDER THE SUN

As we move into the summer season, HKGTA has organised an array of activities to keep our junior Patrons engaged. Our summer camps feature golf, tennis, swimming, and outdoor adventures with long-time partner, Camp Beaumont, and much, much more. With summer camp accommodation available, kids can enjoy the whole camping experience and spend nights under the Sai Kung stars at the Academy. Accommodation is available at a special rate for campers at 30% off. At Kids Zone, the little ones can get busy with a plethora of guided creative activities including crafting their own safe deposit boxes, moss art, bracelets, pet houses, flower vases and more.

A New Year of Sport continues into June with an encore of May's activity – Nunchaku. Coach Kevin Cheung, the first Dan black belt of Hong Kong, teaches the martial art instrument and challenges Patrons' coordination, speed, and agility. The programme will run every Saturday and is tailored for children aged six and above.

With the thick of summer just around the corner, Patrons will be delighted to know that The Academy's annual Maison St. Tropez campaign returns in August. In previous years, the programme centred around the French Riviera, but this year, in the same spirit of the campaign which captures the essence of travel, adventure and discovery, we venture beyond the borders of France to the Spanish waters. We tap into what it means to adventure and create a truly unforgettable summer at The Academy. Expect to be wowed by activities, feasts, merchandise and events themed around the beautiful Mediterranean coastline. With returning acts and brand new surprises, HKGTA will transform into a tropical getaway right in the heart of Sai Kung.

A FEAST OF THE SENSES AT THE ACADEMY

Finally, our F&B outlets have also prepared special arrangements for June. As we celebrate Dragon Boat festival on 22 June, Fan Guan is delighted to offer a variety of modern rice dumplings for the event and also is presenting a limited edition Eight Great Traditional Cuisines of China showcasing the culinary spectrum of China. Over at Academy Lounge, nibble at South East Asian Thai and Vietnamese treats which pair delightfully with summer drinks. For a more intimate affair, explore the flavours of South America with a special on demand El Nudo Argentinian barbecue private kitchen experience fit for the whole family. One of the best ways to soak up the summer sun and the best off the grill, El Nudo is available by private appointment only via 852. 3187 8999 or events@hkgta.com.

We hope that you enjoy the host of activities we have in store, and we look forward to welcoming our Patrons to HKGTA this month. For more information on enrolment for activities and reservations for dining, find out more in this issue and enjoy our curated June offerings.

Yours Faithfully,
HONG KONG GOLF & TENNIS ACADEMY MANAGEMENT

CELEBRATING RAFA NADAL'S TENNIS CAREER AT RNTC EXHIBITION HALLWAY OPENING

On 6 May, The Academy unveiled the Rafa Nadal Tennis Center Exhibition Hallway to honour the tennis legend. The opening ceremony celebrated the successful collaboration between RNTC and HKGTA, paying homage to Rafa Nadal's inspirational tennis career and his 22 Grand Slam victories. Patrons were able to purchase limited celebration packs at a promotional rate, which included exciting merchandise such as HKGTA x RNTC water bottle, HKGTA x RNTC lanyard, and a Nike Rafa bull cap. Patrons gathered together to enjoy refreshments, exchange tennis knowledge and take photos to capture this wonderful moment.

BABOLAT NEW RACQUET DEMO DAY A HIT AMONGST TENNIS PLAYERS

Tennis enthusiasts joined together at HKGTA on 6 May for the Babolat New Racquet Demo Day. Patrons were able to test 15 different models of racquets and receive expert guidance from the RNTC coaching team.

BABOLAT CRAZY DOUBLES RETURNS FOR A SECOND EDITION

HKGTA hosted the second edition of the Babolat Crazy Doubles tournament on 6 May, offering a fun and challenging event for adult tennis players. Patrons enjoyed the opportunity to play against new opponents and test their abilities and challenge themselves in a competitive setting.

HONOURING MUMS AT THE ACADEMY

On 14 May, HKGTA celebrated Mother's Day with a range of exciting activities. The Junior Chef workshop offered a special Mother's Day programme for the occasion, where young Patrons learned how to make a delicious Chocolate Strawberry Cream Cheese Mousse Cake just for mum. For the active mother and child, The Cantopop Dance Workshop provided a fun and energetic way to get moving while bonding, and the Mommy & Me Aerial Yoga session offered a unique and relaxing experience to practice partner poses and more. Fatherhood in focus

Heartfelt Tributes to Dad

Fathers, the pillars of strength and wisdom, embody a son's first hero and a daughter's earliest love. Although we can honour and cherish our fathers every day of the year, Father's Day truly showcases our appreciation for the man who made us who we are today. So, a resounding and heartfelt Happy Father's Day to all the dads, granddads, uncles, and father figures out there!

In anticipation of this occasion, we asked our Patrons to share with us their most cherished stories of dad, and here's what they had to say...

a Nickname just for Dad

Micaela Ngan, Age 7.

“My dad is an architect! He had to study really hard to learn how to design buildings for his job. But when he came home, he always had time to play with me. We would build super tall towers with our Lego blocks!

I wanted to call him something more exciting than just "daddy," so I started calling him Bobson. It's because Bob the Builder was one of my favourite cartoons when I was younger! My dad is just like Bob because he knows how to build amazing things too. I think Bobson is the perfect nickname for him! ”

Never A Dull Moment with Dad

“My daddy is kind and smart. He is kind because he always brings me and my sister out to play. One time, he brought me, my sister and my mommy to a Chinese restaurant and we had so much fun. He is smart because I always have tons of questions, and whatever I ask him, he would always have an answer.

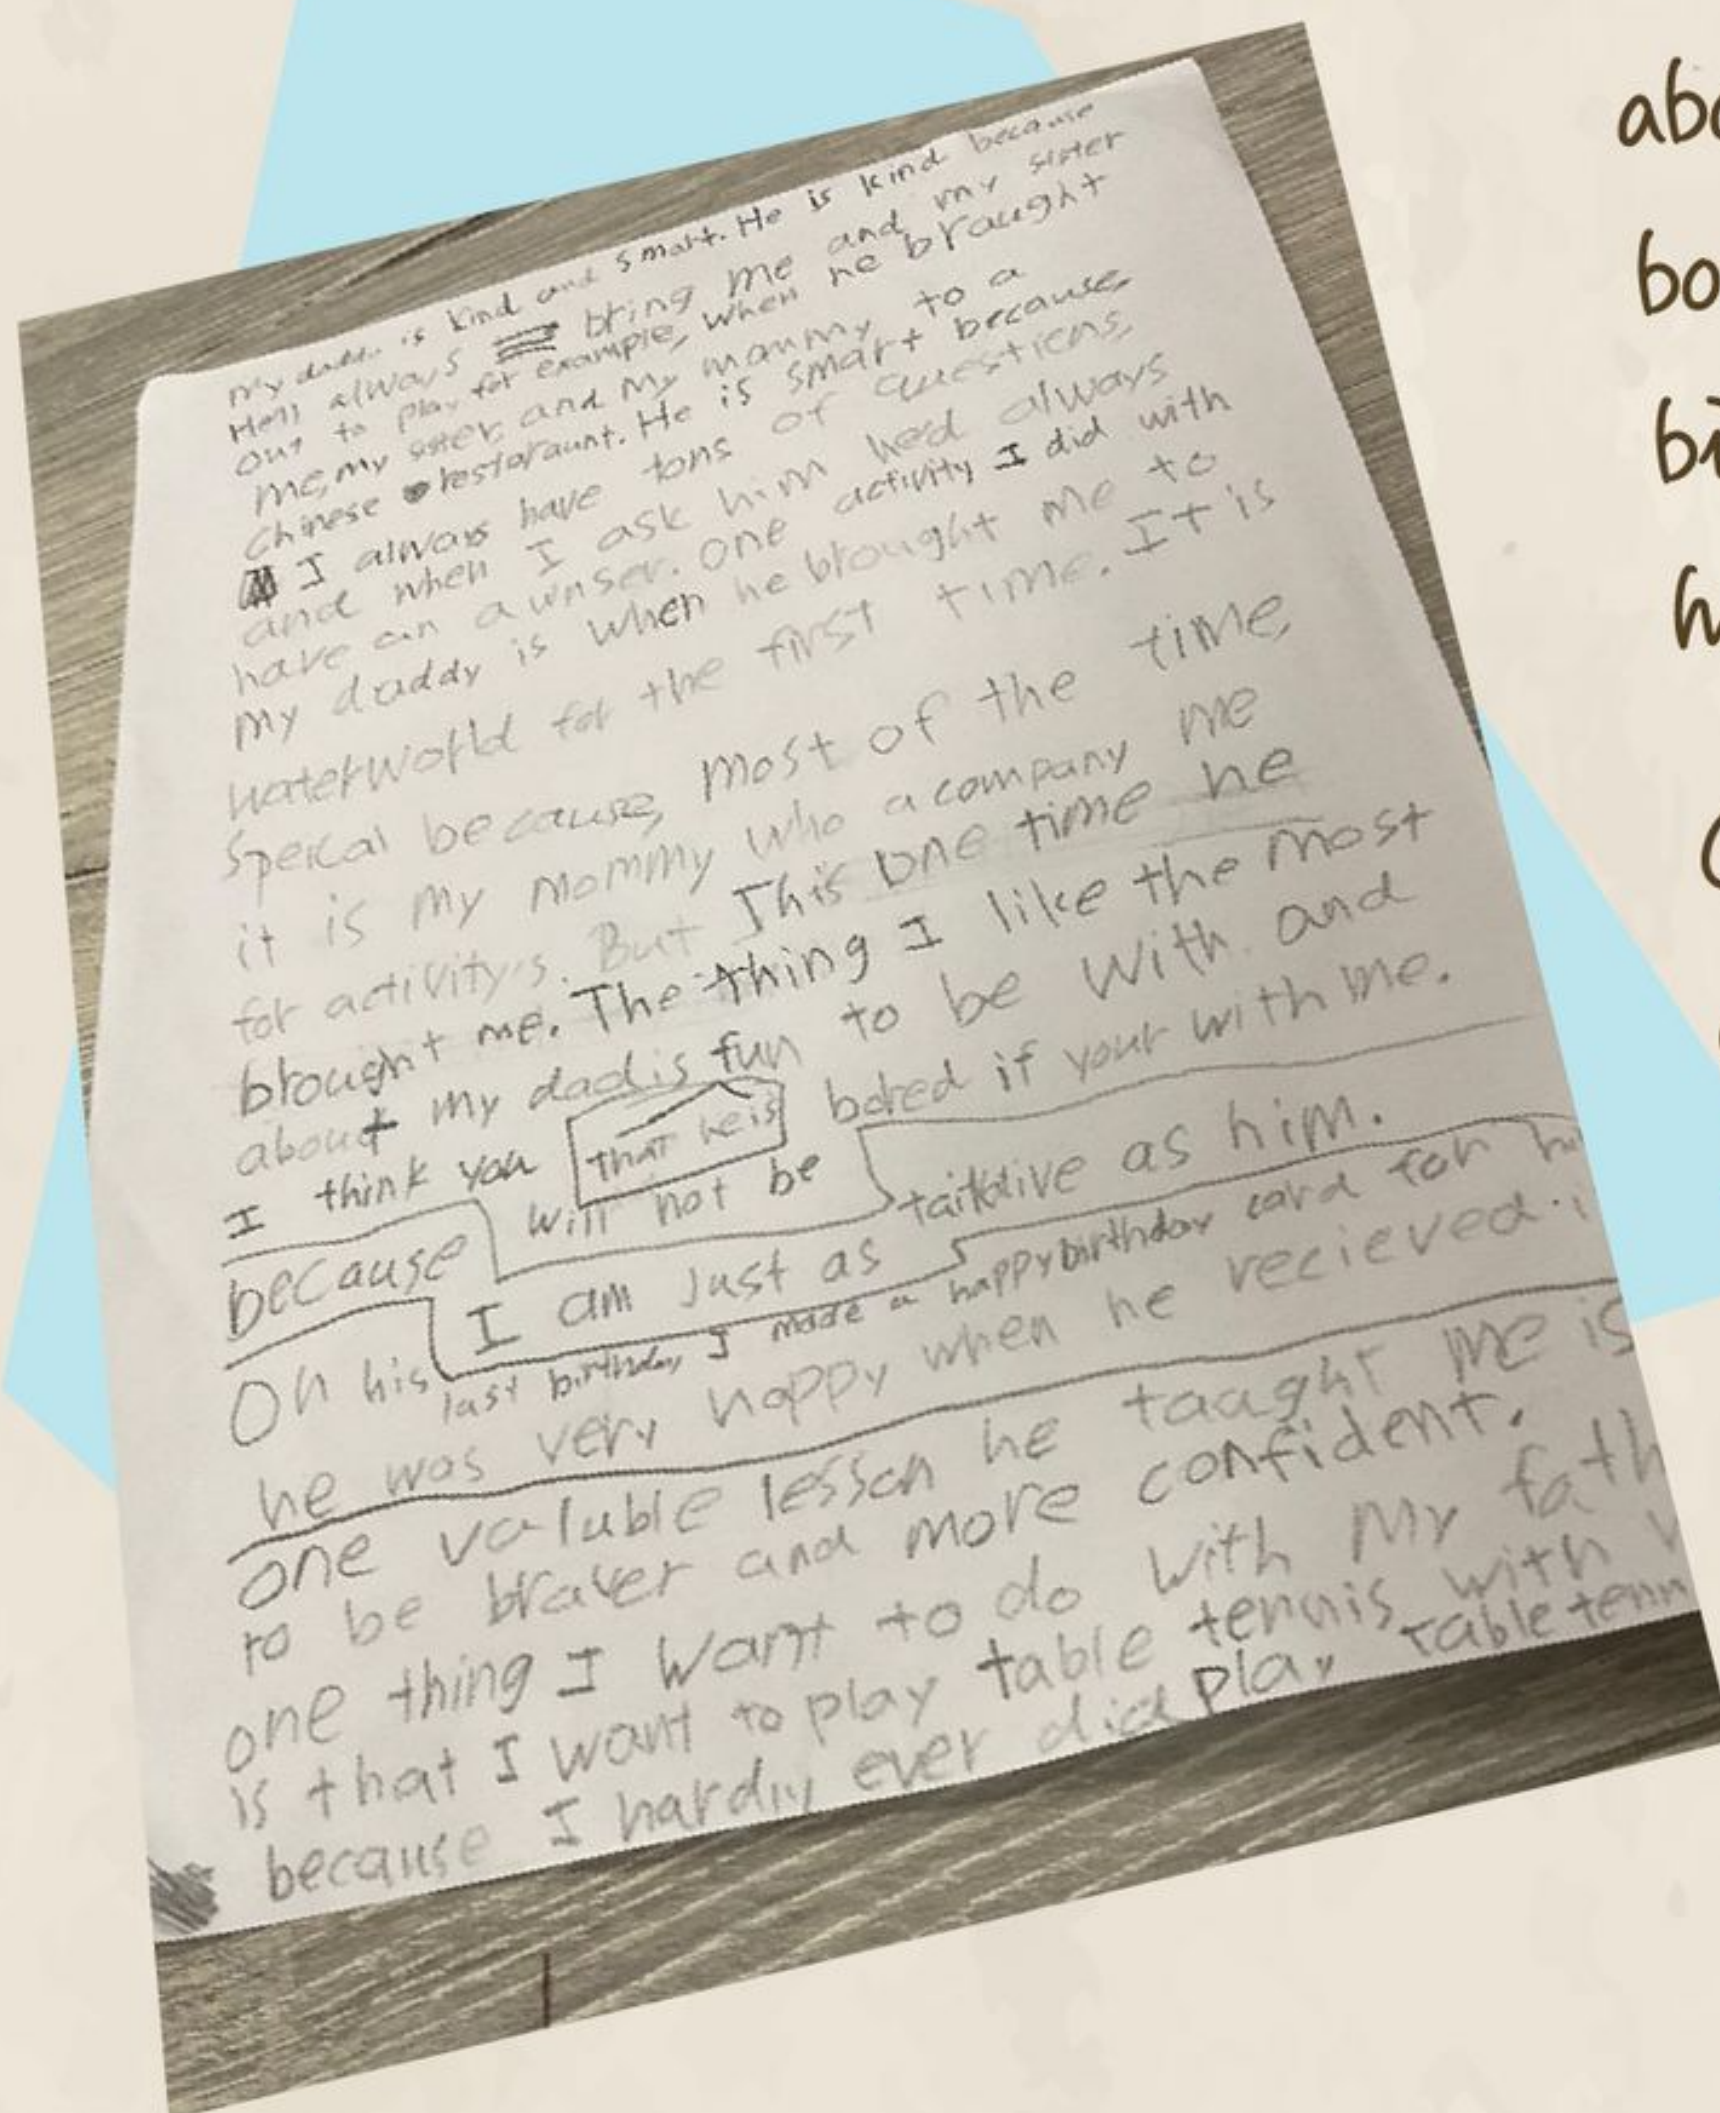

One activity I did with my daddy is when he brought me to Water World for the first time. It is special because most of the time it's my mommy who accompanies me for activities. But this one time he brought me, so it was very memorable.

Sun Ka Yau, Age 7.

“The thing I like the most about my daddy is that he's fun to be with and we are never bored because I am just as talkative as he. On his recent birthday, I made a birthday card for him, and he was very happy when he received it.

One valuable lesson he taught me is to be braver and more confident, and that's an important lesson. I want play table tennis with him because I have hardly ever played before, so I think it would be fun to learn with him.”

*Hao Yinan*

Fatherly Lessons

“My dad used box a lot when he was young, and now that I'm bigger, we box together! One time, he knocked me out - literally! But when I woke up, he told me something really important - "Life is all about how hard you can take hits." This lesson has stuck with me ever since and it helps me when things get tough.

Another thing my dad taught me is to always be grateful for the people who have helped you in life. In Chinese, we say "永远记得感恩", and I never forget to count my blessings and appreciate people. I apply this to life, and every time I go back to Beijing, I make sure to visit my middle school headmaster because he helped me a lot. I want to show him how thankful I am!

My dad also taught me to be kind to others, especially those who are weaker than me. I always try to have compassion and help people who need it. Thanks to my dad's advice, when I grow up I want to be a strong and kind person just like him! ”

Nunchaku

A New Year of Sport

Nunchaku - Famously used by Hong Kong martial arts legend and world-class actor Bruce Lee. Nunchaku is a martial art instrument that enables the development of quick hand movements and hand-eye coordination. Adhering to Chinese martial arts, "gratitude, focus, persistence and self-discipline" can strengthen their bodies, hone their will, and cultivate martial arts.

SAVOUR THE SEASON WITH SAFFRON

WITH
EXECUTIVE CHEF

MARCELLO
SCOGNAMIGLIO

Saffron, one of the most revered restaurants at Town Club, has always been dedicated to creating dishes that reflect the seasons. With a focus on using local and regional ingredients, Chef Marcello, the Executive Chef at Town Club, has developed a reputation for creating dishes that celebrate the bounty of the season. In a recent interview, Chef Marcello shared some insights into how he incorporates seasonal ingredients into his menu.

SAVOUR THE SEASON WITH SAFFRON

When asked about how he incorporates local and regional ingredients into his seasonal menu, Chef Marcello explained that they work with small production and quality-driven suppliers. "For example, we buy the Hong Kong yellow chicken from a local supplier that focuses on quality." This commitment to sourcing local ingredients is reflected in the menu, which changes frequently.

Chef Marcello's favourite ingredients that are currently in season include green asparagus from France, artichokes from Italy, and Sato Nishiki cherries from Yamagata Prefecture. He also shared that his favourite seasonal ingredient to work with is green asparagus, which he loves for its unique flavour and versatility in matching combinations.

When it comes to balancing tradition with innovation, Chef Marcello explained that they get inspired by traditions, especially when it comes to flavours, but they also try to incorporate their own innovative touches. This approach is reflected in the menu, which features dishes that are both familiar and surprising.

Chef Marcello also shared that they collaborate with suppliers from all around the globe to ensure they can secure the right type and amount of ingredients required for the menu. "We have built a very strong relationship of trust with our suppliers," he said.

When it comes to sustainability, Chef Marcello believes that finding the right ingredients is key. By sourcing local and regional ingredients, they are not only supporting small businesses, but they are also reducing their carbon footprint. "We take sustainability seriously," he said. "It's important to us to use ingredients that are not only delicious but also environmentally responsible."

Finally, Chef Marcello shared his love for using fresh herbs in his dishes. "I like to use herbs that bring me back to my childhood memories, like basil, rosemary, and parsley," he said. "But we also use micro herbs with different flavour profiles to give final touches to our dishes."

Saffron truly celebrates the seasons. With a commitment to using local and regional ingredients, Chef Marcello has created a menu that is both delicious and sustainable which showcases the best of the season.
