The Skylight System Includes

① Solar-Powered Shade

The included room-darkening skylight shade is solar-powered and offers total light control, increasing the Skylight System's energy performance up to 45%*.

*Actual percentage varies by skylight model and size

② Remote Control

Each shade included in a Skylight System comes with a factory-paired remote control for easy set-up and operation.

③ Standard Safety Glass

Our Standard Safety Glass is a laminated glass that is safe for out-of-reach applications. It is double-paned with an argon fill to help reduce unwanted outside noise while providing a clear view of the skies above.

④ Weathertight Guarantee

VELUX flashing is required to create a weathertight seal around curb-mount Skylight Systems, as well as to qualify for our 10-year installation warranty.

Flashing kits packaged and sold separately.
