## RIVER CRUISING

APT has a diverse range of life-enriching river cruises that offer luxury travel in total comfort and style, tranquil Murray River, China's Yangtze River, South America's Amazon River, Southeast Asia's Mekong River, and India's Lower Ganges River.

## SMALL GROUP TOURS

Our Small Group Tours are crafted for those who seek more than the sights – they offer meaningful connections with a destination's culture, cuisine and people. With a maximum of just 24 guests, savour an intimate and personalised experience, accompanied by expert guides.

## 4WD TOURS

Join a small group of travellers and venture off the beaten track on a custom-built 4WD vehicle to discover the road less travelled. On an APT 4WD Tour, an expert Driver-Guide will always be there to lend a helping hand or share a story as you delve into the heart of Australia's vast wilderness.

## LAND AND RAIL TOURS

These journeys are the perfect blend of the must-see and the lesser known. Our luxury coaches follow the road to some of the world's most compelling destinations, while our Rail Tours nod to a bygone era, where travel was as much about the journey as it was about the final destination.

## SMALL SHIP CRUISING

Travelling aboard purpose-built ships designed to navigate remote and untouched destinations, Small Ship Cruising offers you exclusive access to the world's most secluded wonders on a range of voyages. Plus, with Zodiac vessels on board, you'll always be close to the action.

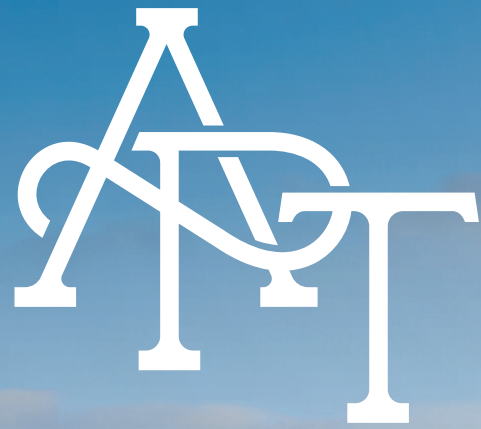

## YACHT CRUISING

Experience the pinnacle of opulence on the seas aboard a luxury yacht with our meticulously crafted itineraries that cater to the most discerning travellers. Enjoy stellar service, exquisite dining options, and generously sized suites, all while unlocking hidden coves that are often inaccessible to larger ships.
