SAIL YOUR WAY
TO THE SPANISH WATERS

August was a smashing month at The Academy as we celebrated the third edition of our summer campaign, Maison St. Tropez. This year, we ventured to the glistening Spanish coast to present Port de Maison St. Tropez. The Mediterranean coastline of Mallorca served as the backdrop for our exciting activities designed for our Patrons to enjoy in true Riviera style.

ISSUE 41 / SEPTEMBER 2023

SAILING INTO A WORLD OF WORKSHOPS

In a series of engaging family workshops inspired by Maison St Tropez, HKGTA curated an array of unforgettable experiences. One of the highlights was the delightful churros-making workshop where families crafted their own sweet Spanish desserts. This hands-on and therapeutic activity allowed participants to tap into their senses and enjoy the calming benefits of the crystals while creating their own unique candles. Another popular workshop revolved around the exciting world of building race cars using the LEGO Spike Essential Kit. Encouraging imagination and problem-solving skills, kids eagerly embraced the challenge of constructing their very own custom cars. These interactive activities not only brought parents and children closer but also provided opportunities for shared moments of creativity and joy.

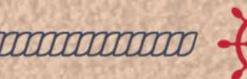

AQUA TOY DASH REGATTA

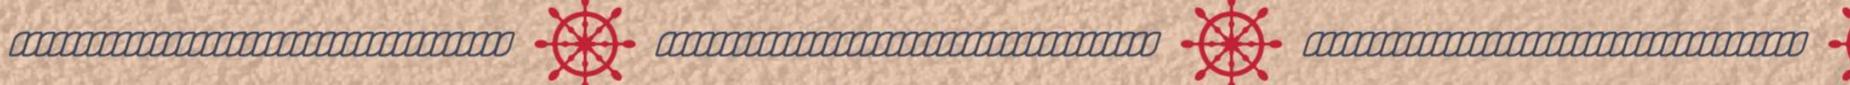

The Aqua Dash Toy Boat Regatta was a core highlight of Maison St. Tropez, drawing in a crowd of eager junior Patrons. Excitement filled the air as they put their imaginations to work, crafting unique boats to partake in the thrilling watercourse adventure. With enthusiasm and anticipation, everyone came out to witness the spectacle and cheer on the young sailors as they navigated their handmade vessels.

A CULINARY FIESTA: SABOREA ESPAÑA

Saborea España transmuted The Cafeteria into a lively Spanish food market for a lively brunch on 5 August. The pièce de résistance was a live cooking show by distinguished guest chef Edgar Sanuy from Pica Pica, who delighted Patrons and their guests with his deft creation of traditional Spanish paella. The afternoon brunch was an immersive culinary journey, with scrumptious tapas and sharing plates and freeflowing sangria which truly encapsulated the authentic flavours and spirited atmosphere of Spain.

INSIDER

ISSUE 41 / SEPTEMBER 2023

The La Tomatina Festival, inspired by the vibrant celebrations of Buñol in Spain, served as the exhilarating finale of Maison St. Tropez. This vivid event bubbled with energy, featuring elements such as interactive flamenco dances, a live DJ spinning tunes, and a unique M.S.T piñata where Patrons took a whack at to retrieve candies and treats. Additional attractions like face painting and photo booths were popular amongst the little ones where they could capture their fiesta looks at the party.

AUGUST HAPPENINGS AT THE ACADEMY

THE TENNIS ELITE TEAM TAKES A SPANISH SERVE

HKGTA recently coordinated a trip, taking our elite players to the Rafa Nadal Academy in Spain for an intensive training opportunity in the very home of tennis legend, Rafa Nadal. Under the guidance of top-tier coaches, the players were able to hone their skills and improve their game. The highlight of the trip was a surprise encounter with Rafa Nadal himself, a memorable moment imprinted in all our players. Following the training, some of our players extended their stay to participate in national tournaments, giving them the exposure to world stage competitions.

ACE MATCH: THE HKGTA UTR OPEN 2023

The HKGTA UTR Open 2023, held on 4 August at the RNTC was a grand slam event featuring three categories: 12 & Under Boys, Men's Singles, and Women's Singles. Players from various regions showcased their skills and sportsmanship in a series of fiercely competitive matches. The young talents of the 12 & Under Boys category showed impressive young talents, while the Men's and Women's Singles players displayed exceptional tennis. The tournament was a great opportunity for players to gain tennis experience and work on their game until the next edition in Winter.

DRIVING SUCCESS WITH COACH DAVID FREEMAN

"Practice doesn't make perfect, practice makes permanent, Perfect practice makes perfect." - Coach David Freeman

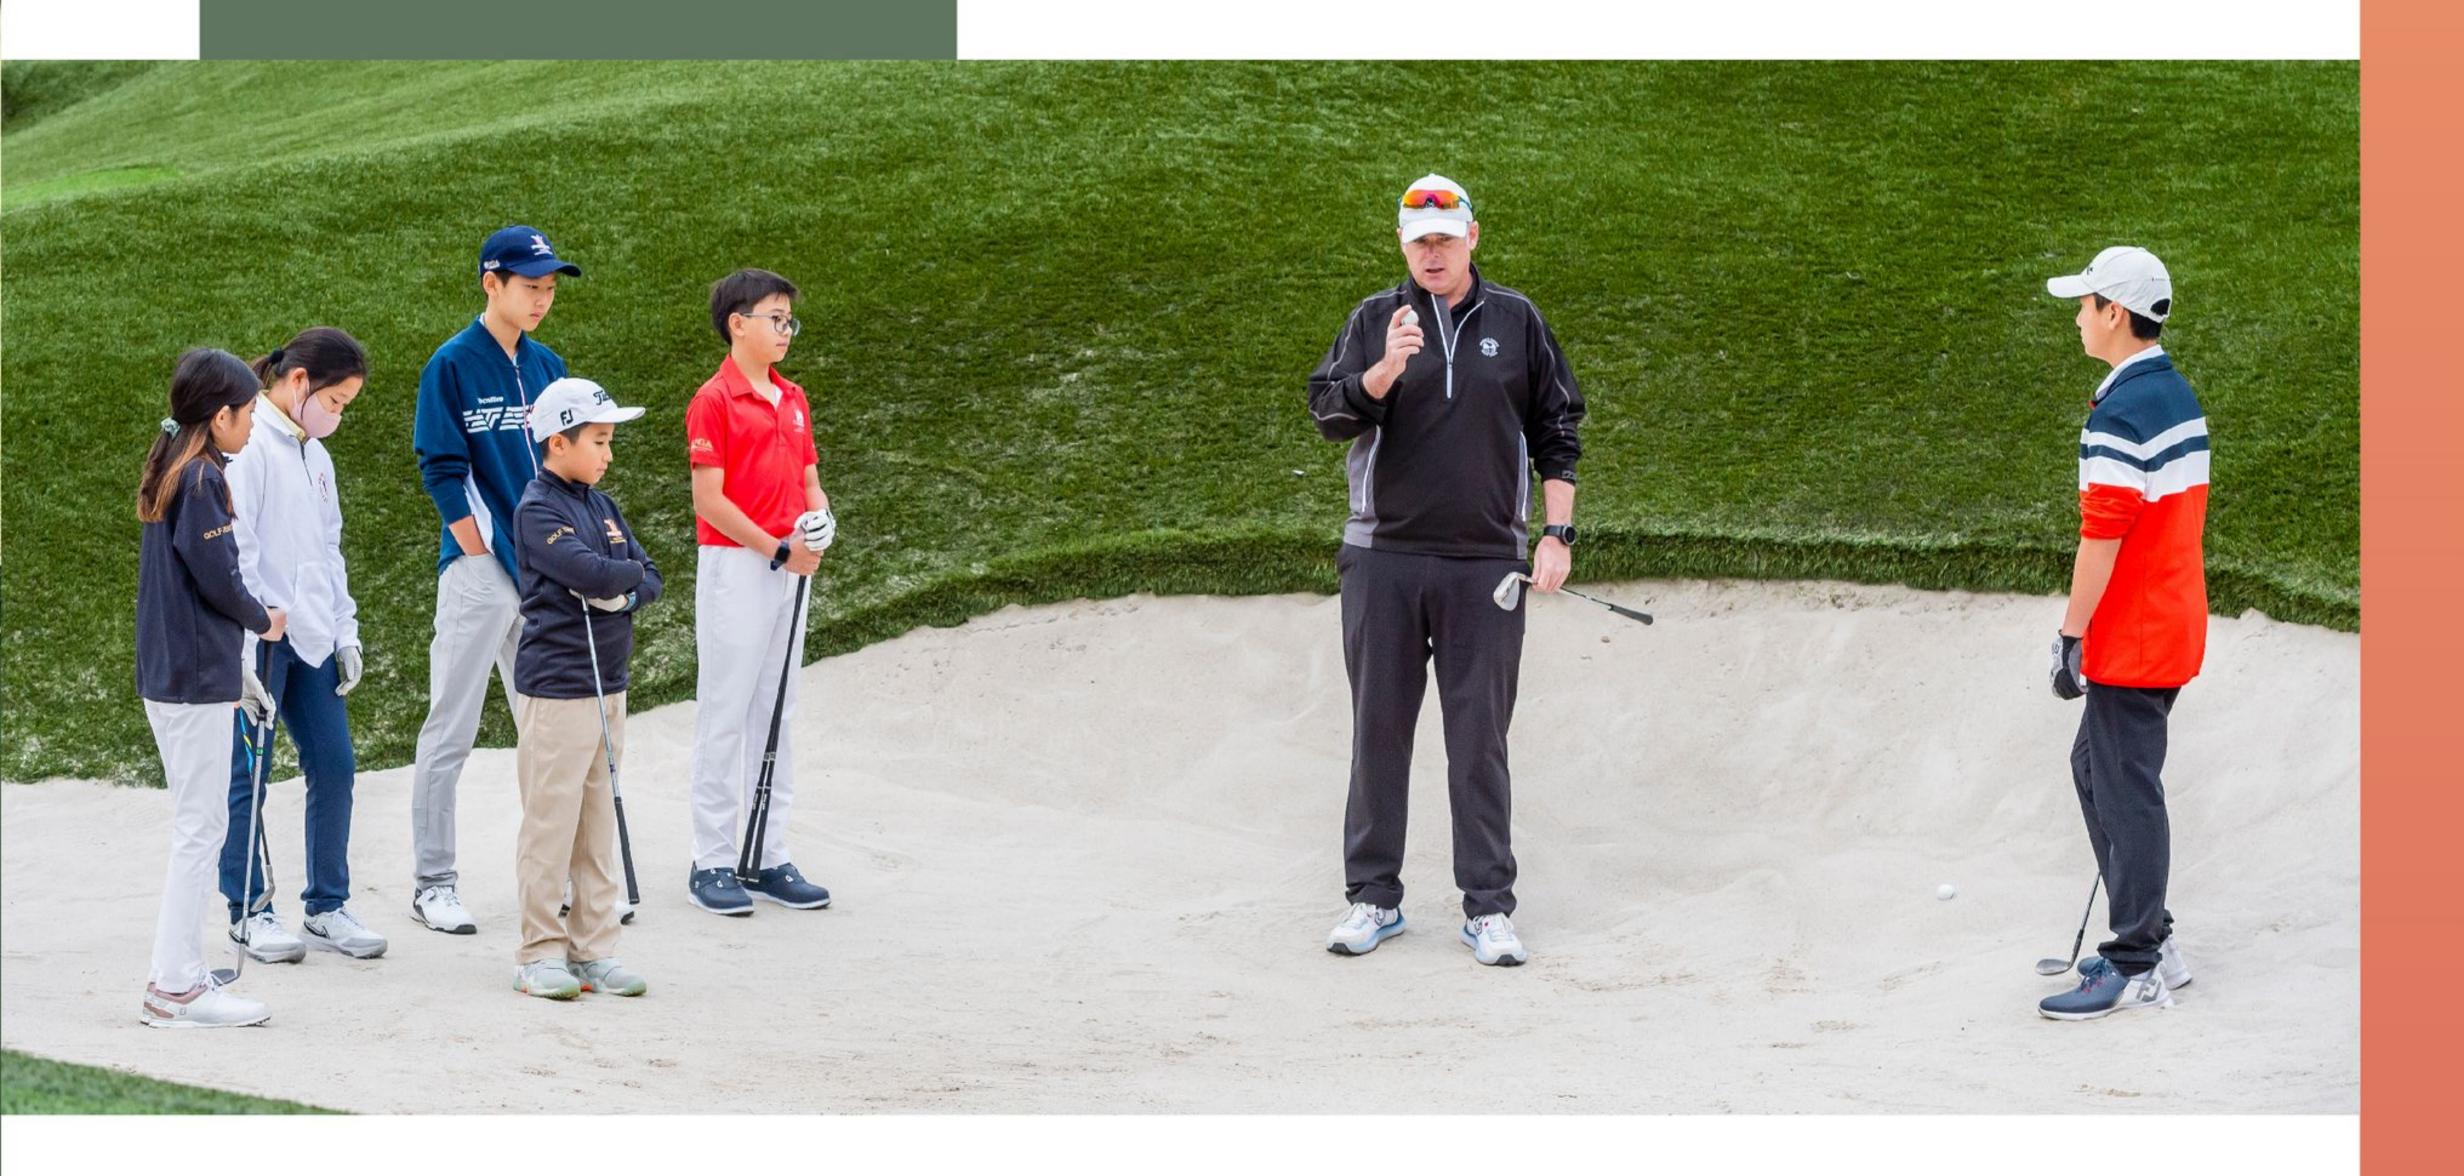

In the world of sports coaching, few individuals possess the passion, expertise, and dedication of Coach David Freeman. For over three years, Coach Freeman has been a driving force behind the success of HKGTA, transforming the coaching style and nurturing a team of talented golfers. Coach Freeman reveals his journey, challenges, and aspirations for the future.

Overcoming Challenges: Building a Foundation for Success

Reflecting on his tenure, Coach Freeman highlighted the initial challenges he enoutered upon his arrival at HKGTA. "One of the biggest challenges I faced was a lack of structure in the coaching style," he shared. Recognising the importance of consistency, he worked diligently to implement a routine that would provide a solid foundation for growth and development.

However, the COVID-19 pandemic presented an unprecedented hurdle. With borders closed and travel restrictions in place, Coach Freeman found himself navigating uncharted territory. "Both mentally and financially, it was draining," he confessed. But through unwavering determination, the support of HKGTA and his family, and an innovative programme design, he and his team weathered the storm together to come out stronger than ever.

Balancing Individual Growth and Team Cohesion: The Key to Success

When it comes to developing individual players while fostering a cohesive team, Coach Freeman emphasises a personalised approach. "Every person that comes into a lesson is an individual," he noted. By keeping track of players' statistics and encouraging self-assessment, he ensures a continuous learning process tailored to each golfer's needs.

The team culture and chemistry are equally vital components of success. Coach Freeman has nurtured a close-knit team, considering them his second family. Regular training sessions and continuous learning, coupled with clear expectations and punctuality, have created an environment where shared growth and efficient teamwork thrive.

Celebrating Achievements: The Year That Was

Reflecting on the past year, Coach Freeman acknowledged the challenges and the cultural shift caused by the reopening of Hong Kong borders. Yet despite the disruptions, significant accomplishments were made. The introduction of new teaching tools and hardware at the Academy promises to enhance the coaching experience. Several elite team juniors secured placements in prestigious schools and colleges overseas, showcasing their exceptional talent and the club's commitment to nurturing budding athletes.

Fostering Growth and Reaching New Heights

"We all have worked with each other long enough to understand how we all work, making communication and cohesiveness easy," he explained. By fostering team culture through a supportive and continuously evolving environment, the team remains motivated and driven towards their goals.

Looking ahead to the upcoming season, Coach Freeman has high expectations. He envisions a busy schedule for his coaches and plans to introduce new activities and programmes to engage and challenge golfers. However, his ultimate priority remains the health and happiness of his team.

Unleashing Full Potential: Strategies for Player Development

Unravelling the complexities of player development, Coach Freeman acknowledges that each player's journey is unique. While focusing on swing mechanics, course management, and the mental game, he understands the importance of regular practice, physical training, and playing on the golf course. Overcoming the challenges of limited access to courses in Hong Kong, the focus lies in maximising players' growth by honing their skills and mental fortitude.

Growth and Progress: The Evolution of HKGTA

Over the past three years, HKGTA has witnessed tremendous growth under Coach Freeman's guidance. The level of coaching consistency has improved significantly, leading to a remarkable increase in the number of single-figure players. Several juniors have excelled in their respective age groups, representing Hong Kong and gaining recognition at the national level. With continuous advancements in technology and upcoming changes at the Academy, the future holds even greater promise.

Advice for Aspiring Athletes: The Path to Success

Coach Freeman offers valuable advice to young athletes aspiring to reach the pinnacle of their chosen sport. Coordination, developed through participation in various sports, lays the foundation for success. Power and physical fitness become increasingly important as athletes grow older, with gym training playing a key role. Lastly, discipline, characterized by thousands of hours of focused and correct practice, distinguishes those who achieve greatness.

Through his unwavering passion, innovative strategies, and dedication to nurturing talent, Coach Freeman has made an indelible impact on The Academy and its players. As the new season dawns, the future holds immense promise, and Coach Freeman and his team are primed to drive the club's continued success on the courses and beyond.

Our junior Patrons donned their chef hats and aprons with our Junior Master Chef workshop. They honed their culinary prowess by learning to craft a delectable strawberry chiffon roll cake. Not resting on their laurels, their creativity continued as they fashioned 3D mini bear decorations, turning their culinary creations into whimsical works of edible art.

FITNESS FUNDAMENTALS WITH HUMANSA

The attendees left with valuable insights, tips, strategies and aspiration for incorporating exercise into their daily routines, regardless of their current fitness levels.

COMEDY NIGHT

Safari Bar was filled with hearty laughter on the evening of 16 July, courtesy of our successful comedy event. Hosted by the charismatic comedian, Jordan Leung, had the crowd roaring with hilarious anecdotes and witty one-liners throughout the evening. The event served as a delightful reminder that laughter truly is the best medicine.

MIDDLE EASTERN MEDITERRANEAN NIGHT WITH CHEF TAREK ELIAS

Chef Elias, with his decade-long experience across New York, Tel Aviv and Beirut, crafted an exclusive journey into Mediterranean cuisine, treating the guests to a unique gastronomic adventure.

THE FUTURE OF LUXURY: A PANEL DISCUSSION

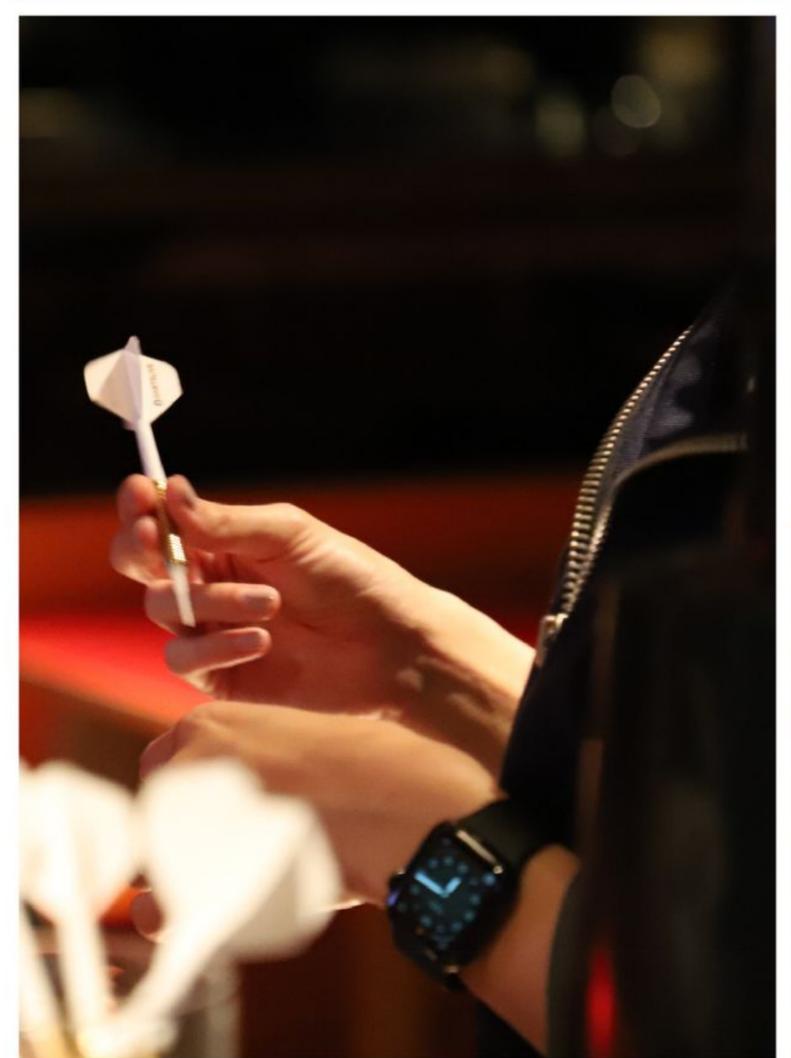

Town Club hosted a panel discussion, titled "Luxury Chat". Esteemed panellists elaborated on the ongoing evolution of luxury in a hyperconnected, sustainable, and globalised world. Moderated by Amilissa Hall of Tatler, the discussion included speakers such as Jaime Martin (MD of Edrington North Asia), Dr. Esternina Nervino (Assistant Professor, Department of English, Department of Marketing, City University of Hong Kong), Ivan Perra (GM Manager APAC, Moschino), and Ben Wong (GM, New World Development). The conversation revolved around the impact of digital and sustainable transformations on the concept of luxury.

DARTS DECODED: A MASTERCLASS IN THE GAME

WHISKY WISDOM AND INVESTMENT INSIGHTS

Whisky connoisseurs and novices alike came together for an evening to savour some exciting bottles at Town Club. While Patrons sipped away, they gained valuable insights into why whisky is steadily becoming an investment commodity, earning its name as "liquid gold". Patrons discussed the process of investment, what to look for in acquiring bottles, and how to turn their pastime into a profit.

SUMMER SIPPING: A COCKTAIL MASTERCLASS

Safari Bar hosted a cocktail masterclass featuring summer beverages to cool down from the high heat. Under the expert tutelage of our master mixologist and bar manager, Jack Leung, Patrons learned to concoct a trio of refreshing summer cocktails, sure to impress at any dinner party.
