EXPLORER SALE

Sailing to all seven continents, the whole world awaits

Discovering another culture is a wondrous awakening. Sail with us to extraordinary shores where you can immerse yourself in new destinations and unique experiences.

Each day you will have the opportunity to truly experience the best of your destination, from castles steeped in history to outdoor markets brimming with local colour.

We all travel to explore, to learn, to understand. The Viking Way of exploration offers behind-the-scenes insights and opportunities that set us apart – taking you to both the expected and iconic as well as opening doors to ports less visited. From ship to shore we design experiences for unparalleled access and cultural enrichment.

Our award-winning ships are just the right size to take you to where you

want to go, with a signature Scandinavian design that draws inspiration from our Nordic heritage and never upstages the destination. And our all-inclusive pricing ensures you will not have to incur an expense every time you want a cup of coffee, a glass of wine with your meals, or an excursion on shore.

Whether by river or ocean, we have crafted unforgettable journeys across all seven continents so you can explore more of the world.

"Viking is great for travellers who don't just want to see the world, but want to understand it and know more about it. To learn something of other cultures and other histories."

BERNARD O.

These voyages offer access to ocean ports never before visited by Viking, including Limerick, Ireland; Bilbao, Spain; Haugesund, Norway; Londonderry, Northern Ireland; Århus, Denmark and Bordeaux, France.

THE VIKING DIFFERENCE

Award-winning voyages for the curious-minded

At Viking, we do not try to be all things to all people. Rather, our loyal guests continue to choose us every year because our unique approach to cruising is different to the rest. What makes us so different? We include more, where it matters most.

MORE CULTURE

Our meticulously crafted range of included and optional excursions serve as your gateway to understanding each destination's iconic landmarks, captivating history and vibrant cultures. We go beyond the ordinary, offering exclusive and extraordinary experiences that distinguish us from other travel companies. While we ensure you experience the expected and renowned, such as visits to iconic museums and notable landmarks, we also strive to unlock hidden gems with Privileged Access and introduce

you to the remarkable people who call these places home.

MORE STYLE

Minimalistic, sleek and modern yet textured, warm and inviting, our signature Scandinavian style imbues every space in a showcase of calming symmetry, exquisite craftsmanship and an abundance of natural materials. With inspiration pulled from the exploratory spirit of the original vikings, you'll encounter our Nordic heritage in each storied space on board our ships.

MORE TIME IN PORT

As beautiful as our ships are, we know our exciting itineraries are an integral part of the Viking experience so we give you more time in port on all our voyages. Because we own many docking locations along the rivers, and have prime, central berths

in many ocean ports, we always strive to arrange the most convenient docking available. This means you will sail into the very heart of some of the world's greatest cities such as Paris, Budapest and Monaco. Your ship is always just a short walk from opportunities to discover enriching local experiences to satisfy your inner explorer.

MORE AWARDS

We have collected more than 450 awards over the last 27 years. Most recently, the readers of *Travel + Leisure*® have once again voted us a "World's Best" for oceans, rivers and expeditions in the 2024 World's Best Awards. In addition to being selected as one of the best river lines, we were named #1 for Oceans and #1 for Expeditions. We were also rated #1 for Oceans, #1 for Rivers and #1 for Expeditions by the readers of *Condé Nast Traveller*. No other travel company has simultaneously received the same accolades by both publications – something Viking has achieved two years in a row.
