## Land Acknowledgement

The Town of Georgina recognizes and acknowledges that we are on lands originally used and occupied by the First Peoples of the Williams Treaties First Nations and other Indigenous Peoples, and on behalf of the Mayor and Council, we would like to thank them for sharing this land. We would also like to acknowledge the Chippewas of Georgina Island First Nation as our close neighbour and friend, one with which we strive to build a cooperative and respectful relationship.

We also recognize the unique relationship the Chippewas have with the lands and waters of this territory. They are the water protectors and environmental stewards of these lands, and we join them in these responsibilities.

On behalf of the Town of Georgina Council, I'm thrilled to introduce the 2025 Summer/Fall Tourism Guide — your go-to resource for exploring everything that makes Georgina a fantastic place to live, work and play.

Whether you're looking for outdoor adventures, cultural experiences, or family-friendly events, Georgina offers it all. Enjoy the beauty of Julia Munro Park or [Sibbald Point Provincial Park](#), step back in time at the [Georgina Village Museum](#), catch a show at the [Stephen Leacock Theatre of Performing Arts](#), or experience the charm of our farms, markets and historic downtowns.

This year, we're especially excited to welcome a brand-new Cultural Festival to our event lineup, celebrating the diverse arts, music and heritage of our community. Along with longtime favourites like the [Georgina Studio Tour](#), the [Sutton Fair and Horse Show](#) — one of Ontario's oldest agricultural fairs — and the [Chippewas of Georgina Island Pow Wow](#), there's something for everyone to enjoy.

After a day of exploration, make time for a sweet treat, a delicious meal or a little shopping at our many local businesses. From unique gifts to a wide range of dining experiences, Georgina's vibrant shops and restaurants offer the perfect way to create lasting memories.

We invite you to dive into the guide and start planning your visit! Discover the sights, tastes, shops, accommodations and unforgettable events that make Georgina a destination you'll want to return to again and again.

Sincerely,

## SIGHTSEEING

### Historic Briars Resort

Located at 55 Hedge Rd., the [Briars](#) is the site of a number of historic buildings, with the most notable being the octagonal-shaped Peacock House, the only one in Ontario. The manor house is comprised of a central rubblestone structure built in 1840 and two flanking wings clad in brick added in 1880. Despite the setbacks of the wings, the building appears as a unified structure, and its central portion is regarded as a fine example of Regency architecture.

### Jackson's Point Harbour Lighthouse

The [lighthouse](#) celebrates the spirit of Jackson's Point and the harbour as a destination on Lake Simcoe. You can take in great views of it at Bonnie Park, 1 Bonnie Blvd., Jackson's Point or at the [Ramada Resort](#).

### St. George's Anglican Church

[St. George's Church](#) and Cemetery, located at 408 Hedge Rd. in Jackson's Point, is a beautiful heritage site adjacent to [Sibbald Point Provincial Park](#). In the 1877 stone church, you will discover the stained glass window designed by Mrs. Simcoe, the wife of Ontario's first Lt. Governor. It is also the final resting place of Canadian writers Stephen Leacock and Mazo de la Roche.

## WALKING TOUR

### Downtown Sutton

What began as a small village of around 100 residents has grown into a vibrant and welcoming community. In its early days, Sutton was home to a tannery, tavern, school, post office, blacksmith, shoemaker, cloth factory and wool mill. Today, this charming downtown has evolved into a hub of unique shops, cozy cafés, inviting restaurants and local businesses that serve both the growing population and visitors from nearby Toronto—just an hour's drive away.

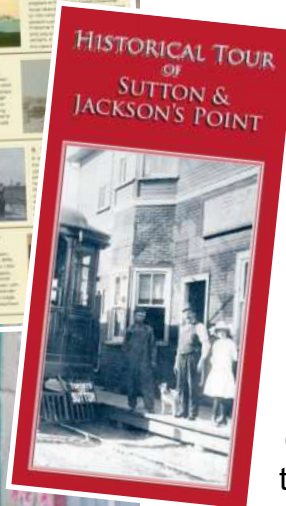

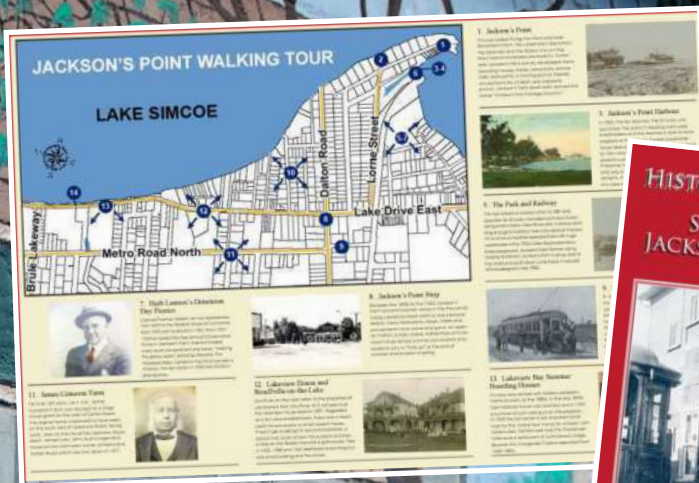

One of Sutton's most iconic landmarks is the former [Mansion House](#) Hotel, one of the oldest buildings on the main street. From the mid-1800s to the mid-1900s, it hosted travelers from near and far—rooms were once just \$1 a night.

### Jackson's Point

Before it became a beloved getaway destination, Jackson's Point was a peaceful lakeside farming community. By the late 1800s, grand estate homes transformed into hotels, and quaint cottages were repurposed into dance halls and restaurants. Visitors arrived by boat, train, and trolley to enjoy summers by the lake—often for just \$40 a season, or \$1 for a night's stay. Families came for the swimming, boating, fishing, golfing and the timeless charm of lakeside living.

### Step Into History

The Sutton and Jackson's Point area is steeped in rich history. [Download a walking tour map](#). As you explore local shops and eateries, you'll likely be greeted with the warm, communal spirit of Georgina's residents—many of whom are happy to share stories that bring the past to life.

Whether your adventure includes fishing, swimming or enjoying scenic views and wildlife, there is a route in Georgina for all skill levels. Don't own your own canoe, kayak or paddleboard? A stay at the [Briars Resort](#) in Jackson's Point gives you access.

 Access point  Food stop  Marina/boat launch  Public parking  Waterfront park  Waterfront resort

### Maskinonge River

With several marinas located at the mouth of the river, there's always lots of activity on the Maskinonge River in [Keswick](#). Head inland and experience moderately shallow waters with twists and turns, lots of vegetation and plenty of birds. You'll see homes and marinas and cross under two bridges. Stop for a bite to eat at waterfront dining locations, such as [Boston Pizza](#) or the [Riveredge Restaurant](#). From Lake Simcoe to the end of the river near Woodbine Avenue is just under three kilometres.

## Black River

The Black River offers tranquil nature views and rest stops. Many choose to start or end their trip in [downtown Sutton](#) at the dam, where they can browse local shops within walking distance, enjoy a meal or hydrate with a cold drink. Launch at Mill Pond Park or at the Sutton Parkette parking lot on High Street.

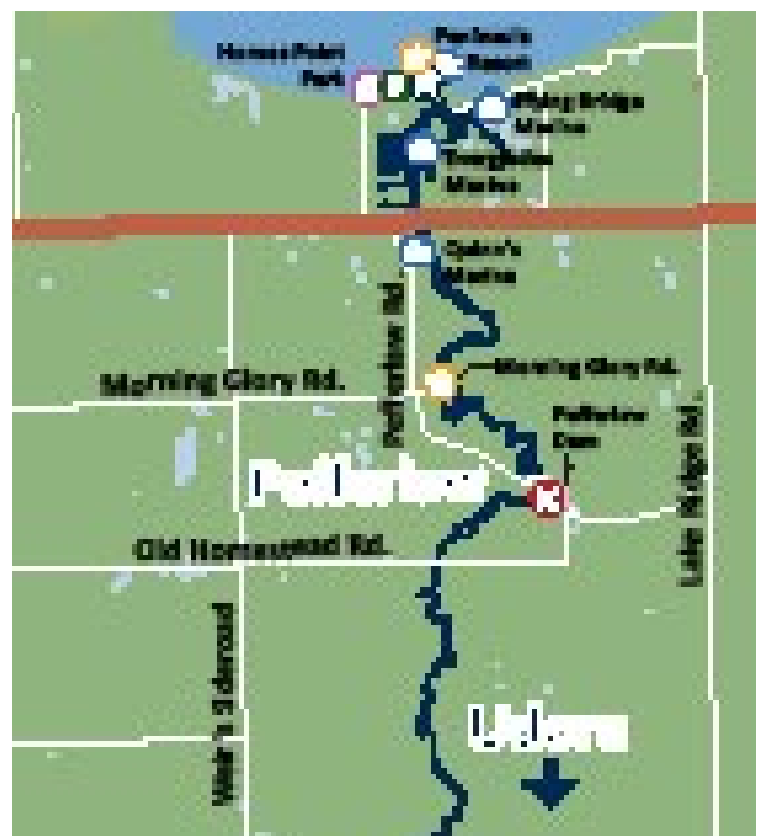

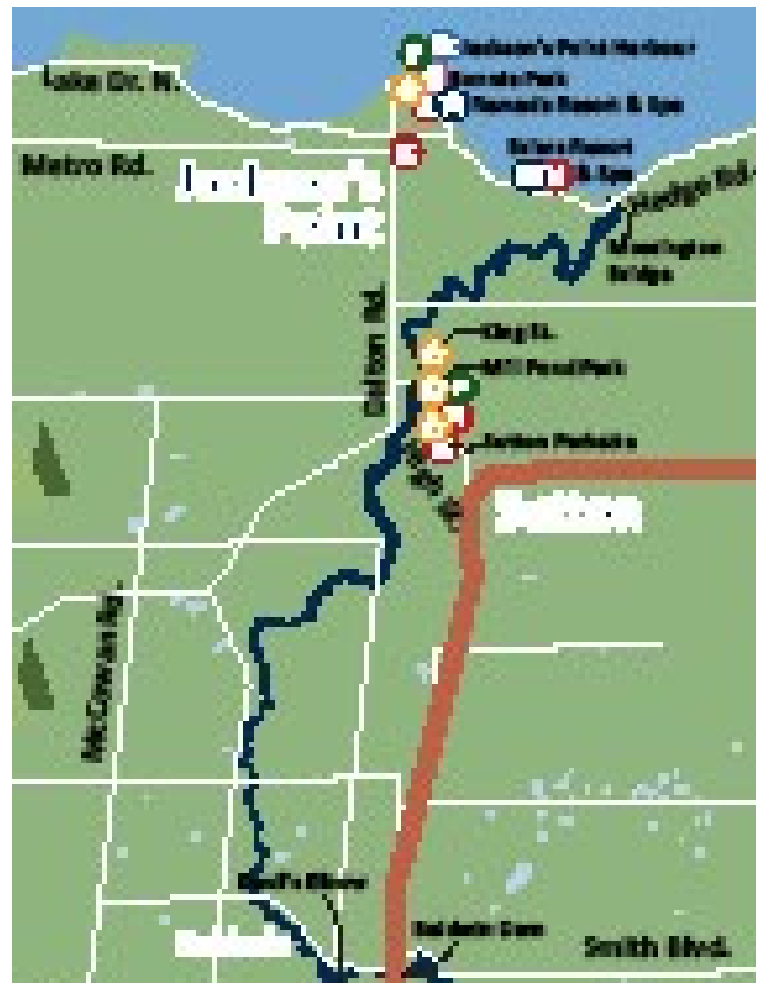

It is approximately 3.5 kilometres travelling north from the dam at High Street to Lake Simcoe. You'll pass under bridges, a golf course and private homes. Paddlers can also travel south from the top of the dam in Sutton to Baldwin. This scenic route will take you through many twists and turns, through the Devil's Elbow just before reaching the Baldwin Dam.

If you choose to start your trip on the shore at Bonnie Park or Malone Wharf in Jackson's Point, you can paddle along the shore to where the river meets at the Mossington Bridge and travel south on the Black River to Sutton.

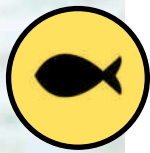

## Pefferlaw River

If nature and wildlife are in your itinerary, then the Pefferlaw River is your destination. Have lunch on [Pefferlaw's](#) main street before you launch and wind your way towards Lake Simcoe. You can also start in Udora and follow the shallow waters north to the Pefferlaw Dam.

## FISHING

Lake Simcoe is home to a variety of fish species and is the fourth-largest lake located entirely within Ontario, with 240 kilometres of shoreline situated between the communities of York Region, Durham Region, Simcoe County, Barrie, Orillia and Kawartha Lakes. The Town of Georgina covers 52 kilometres of shoreline and is located at the southern tip of the lake.

Year round, you'll sink your hook into lots of trophy-size fish such as bass, pike, walleye and lake trout. Whether you want to fish by boat or on land, you have many options in Georgina. You can cast your line at one of the local fishing sites on the shorelines of the lake or one of the rivers. If you prefer to make a day of it out on the water, local [marinas](#) and some parks have [boat launches](#) available.

For those who are looking to try recreational fishing for the first time, you can fish for free on the Mother's Day or Father's Day weekends when a licence is not required. One-day licences can also be purchased online or in person at Canadian Tire in Keswick or the Mobil Service Station in Sutton for \$12.21 (2025 rate).

Make sure to check [Ontario's fishing regulations](#) before you head out or plan your trip.

## WHERE TO FISH

There are many popular fishing locations throughout Georgina. Cook's Bay, on the southern tip of Lake Simcoe in Keswick, provides a mix of weedy, shallow and deep water habitat – great for fishing! You'll find trophy-sized fish in the deeper waters like lake trout and whitefish, and many different species around the islands. Don't forget the [rivers](#).

Please be respectful and aware that fishing within 300 metres of the Chippewas of Georgina Island First Nations properties is prohibited.
