Scenic Spirit cruises are the most all-inclusive on the Mekong River, where you can choose a 7 or 9 night cruise, depending on the time of year and your desired pace.

7 night cruises operate over the drier months of January to May, October and November. Whilst for those looking to observe a full day of local life in every destination, across a relaxing pace, choose a 9 night river cruise during the months of July to September and December.

May to October seasonal cruising
