# Pendeford

Est 1958

Manufacturing cookware since 1958 and still family owned, Pendeford has an excellent reputation for providing quality UK made products and excellent reliable service.

Supplying wholesale, retail and hospitality sectors; we manufacture, import and distribute quality housewares specialising in cookware, bakeware, teapots & kettles, high quality plastic kitchenware and laundry accessories.

Originally known for producing hand spun polished aluminium Pendeford has evolved over decades to being a leading supplier of high-quality homewares with over 300+ products in our range across 15+ of our own brands.

Located in Wolverhampton, our 40,000 square foot factory and head office is conveniently placed to distribute throughout the UK and Ireland. Pendeford has developed a strong export market having clients all over the world and welcomes private label enquiries.
