**Cherilyn Lowe - Nomuula Dorpers & White Dorpers** welcomes you to the first Nomuula, Belowrie & Netanya Dorper & White Dorper Online Sale.

I'm extremely proud of the Nomuula draft of animals as they form one of the best sale drafts, I have had for sale to date. I have been breeding dorper and white dorpers for the past 11 years, having found success in the showring and sale ring. I have also successfully been appointed as a qualified breed judge and inspector. Therefore, this has helped me to present you with some of Nomuula's absolute best genetics. This line-up of animals has been classed by breed inspector Adrian Veitch on Monday the 27<sup>th</sup> of February 2023.

If you would like to view the animals on farm before the sale, they will be available for inspection over the weekend, 4<sup>th</sup> & 5<sup>th</sup> March. If these days don't suit, please contact me and we can arrange a day. Please phone Cherilyn Lowe on 0413 611 011.

All animals will have a separate video of each lot on [www.auctionsplus.com.au](http://www.auctionsplus.com.au) via the following link: <https://auctionsplus.com.au/auctions/sheep/nomuula%2c-netanya-and-belowrie.-dorper-and-white-dorper-sale/120283>

The starting time of the online sale will be from 9.00am on the 9<sup>th</sup> of March and run until 5pm on the 10<sup>th</sup> of March, then the timer will start.

If your internet isn't working well, please contact John Settree from Nutrien Ag Dubbo on 0408 297 368. He will be happy to assist you.

## SALE INFORMATION

### **CLASSIFICATIONS**

All **Nomuula** animals have been inspected by an inspector prior to the sale and meet the breed standards, I'm confident that I'm offering quality animals for sale. All the **Nomuula** Animals have been through a strict classification on 22nd February 2023 by Adrian Veitch.

### **No Colour Guarantee**

Due to the nature of genetics White Dorpers can be known to occasionally throw colour. As this is out of my control, I cannot guarantee that my animals will breed only pure white lambs.

### **Scanning**

Animals were fat and muscled scanned by Tim Lawrence on the 2nd of March 2023.

### **REGISTRATIONS**

**Nomuula Dorpers & White Dorpers** are registered studs with the Dorper Sheep Society of Australia Inc. (Flock D915 & WD915), as such Type 4 & 5 rams and all ewes were registered prior to the sale.

### **HEALTH**

**Nomuula Dorpers & White Dorpers** are Ovine Brucellosis accredited flocks. All sheep are within the Biosecurity area & from a flock not infected or suspected of being infected with Ovine Johnes Disease.
